 to completely customize your swing set.  
 You can choose everything from the  
 colors for each Component to exactly  
 which swing types, add-ons, and  
 accessories you want.

**QUALITY**

Rock-solid 4x4 and 4x6 construction  
 3/8" and 1/2" GALVANIZED bolting with  
 lock washers

Recessed bolts to prevent dangerous  
 protrusions

Durable, flexible swings with heavy duty  
 3/16" proof coil chains

Swing beam brace and monkey bars  
 made of powder coated steel

Optional Wood Beam Swing Hangers  
 for extra durability and strength

**FEATURES**

Long-lasting, plastisol coated chains to  
 prevent pinching of fingers

Kits designed for children, but also  
 strong enough for adults

Easy-to-follow plans with FULL-PAGE  
 diagrams for each step

Free-standing designs remain stable  
 without cement or sunken posts

All-bolt construction (no nails!) can be  
 disassembled if needed

Modular designs that can easily be  
 changed over time

Design choices to fit every need - from  
 space-savers to super-structures
